

*Lotus Valley*  
INTERNATIONAL SCHOOL  
NOIDA

*The Inspiration Within...*

*Shaping minds to blossom and shape a better future*

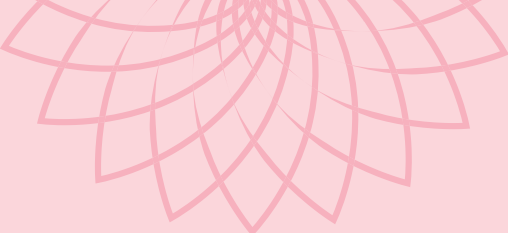

***“The inspiration within...  
Moulding minds and creating  
capabilities to shape a better future”***

*Like a seed that has the innate ability  
to sprout and grow into a tree,  
A tiny bud that finds the strength  
to blossom into a flower,  
And a lump of clay that has the  
potential to be moulded into  
an object d' art...*

At Lotus Valley International School, Noida, we believe that every child has the potential to grow, blossom and succeed in what s/he is destined for. Every child is an inherent leader, requiring the right direction to claim the future. It is this innate ability of a child that we wish to nurture. It is the way we teach, the way we impart life skills and the way we shape children's overall capabilities that helps them unleash the inspiration within.

*Every journey becomes great when backed by the inspiration to go beyond existing milestones.*

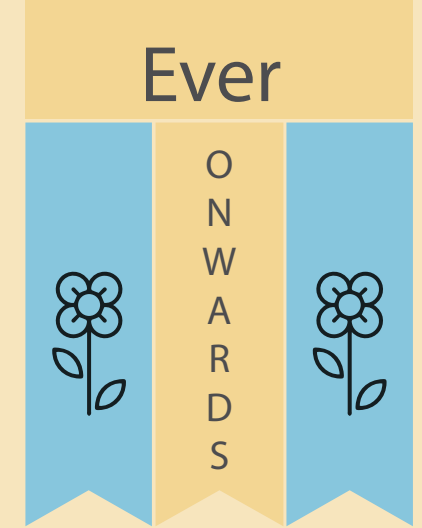

## Vision and Mission

Lotus Valley International School aims to be an institution that empowers each child with a sound foundation of attitudes, values, knowledge and life skills. We endeavour to nurture socially conscious and responsible individuals who like to serve the society. We create a stimulating environment where children learn when they want to and not when they have to. The school aspires to assist them in recognising and achieving their fullest potential and to facilitate the learning process.

Our mission is to create leaders of tomorrow. Offering a curriculum that encompasses the distinctive features of east and west, Lotus Valley is dedicated to the moral, spiritual and ethical development of children.

We are determined to create an atmosphere where values are considered an achievement.

## The School Emblem

Lotus Valley International School is fiercely committed to the pursuit of excellence in every field. For us every child is a leader of tomorrow and we leave no stone unturned to ensure that every Lotusian is given an opportunity to excel.

The Four Segments of the Shield represent different aspects of learning:

- The **globe** signifies the global outlook necessary for the leaders of tomorrow.
- The **book** stands for knowledge.
- The **torch** symbolises the hope and integrity that ignite the minds of young people and lights their path towards excellence and fulfilment.
- The **veena** belongs to Saraswati, the Goddess of learning and speech, and is a symbol of creativity, culture and refinement.

The school emblem draws inspiration from the five classical elements - **earth**, **water**, **fire**, **air** and **sky**. We endeavour to instil in our learners the attributes of the five great elements. With the lotus of transcendence flanked by two swans at the top, the crest highlights the swan's unique ability to separate milk from water, manifesting the discernment we inculcate in our learners.

The colour blue reminds us of the flowing nature of water and motivates learners to keep on advancing towards their goals. The colour yellow brings alive the spirit of fire along with its strong will and energy while the golden colour represents the nurturing and stable quality of the earth. The flags with the initials of the school are the omnipresent ambassadors of direction like the ever present air.

## Vice Chairpersons

# Lotus Valley International School, Noida

**Mrs. Jaspreet Kaur**

**Mrs. Sureena Uppal**

As Sir Ken Robinson rightly put it, “ Our kids are living in a world of immense changes, of growing oplexity, of growing interconnection, and we therefore have to ask ourselves what sort of education do our children need to flourish in this world.”

We truly believe that there is a genius in all of us, deep reservoirs of talent that are waiting to be tapped and discovered. It is important to start somewhere in order to discover yourself. Here at Lotus Valley, we aim to provide and explore a stimulating and enriching environment full of ideas and varied opportunities so that children can enjoy all facets of learning. We also believe in giving our children a platform which will allow them to unleash their creativity and discover the immense possibilities that lie hidden within them. This holistic approach lays the foundation for thoughtful, happy, successful and content individuals who will be assets to society at large.

We value every child and ensure that their abilities are well nurtured and fully developed in our care.

So here’s looking forward to a great school and parent partnership which will work assiduously for the benefit of our young scholars, tomorrow’s leaders and our country’s future.

**JAI HIND**

*Great visionaries are those who motivate young minds  
to delve deeper and find their leader within.*

## Our Patron

We are honoured to have one of the most accomplished educationists in the country as our Patron.

Dr (Mrs.) Shayama Chona, the only school educator who has been awarded the Padma Shri and Padma Bhushan, by the President of India, is the driving force behind the school.

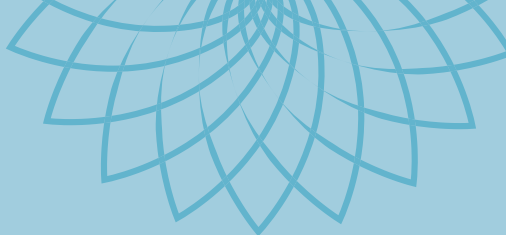

An alumna of the prestigious Maharani Gayatri Devi Girls' Public School, Dr Chona has broken barriers to change the lives of many. She has launched major initiatives to promote the teaching of Science, Computers and Information Technology in schools. She has been serving as a Member of 97 Advisory Boards and Managing Committees of 68 institutions. Member of Indian National Commission for Cooperation with UNESCO, Member of Governing Body of CBSE, Honorary Advisor in the Education Department of MCD, Member of the National Mission Authority (NMA) of National Mission for Empowerment of Women by the President of India. Her name finds place in the Limca Book of World Records 2007 for being conferred the maximum number of awards. She is also a Member Advisory Board Coca-Cola India Foundation, Member Medanta Independent Ethics Committee, Medanta - The Medicity, Gurgaon. She is also a member of the Stem Cell Committee of Ganga Ram Hospital.

She has given concrete shape to her transcendent principles by setting up 'Autism Center - School of Hope', 'Tamana Special Education Centre' and 'Skill Development Centre - Nai Disha'. As the founder of three schools for children with special needs, she has been working tirelessly since 1984. A proud recipient of 54 awards including the Padma Bhushan, Padma Shri, two National Awards and one State Award, Dr Chona has served society and humanity with distinction and dedication. It is her mission to educate and empower the abled and differently abled that helps her to stand apart. She believes that a child is God's gift to man and needs to be nurtured in an atmosphere of discovery, enquiry, learning, expression and communication.

Encouraging children to discover their inherent abilities and latent talents, Dr Chona supports the Latin phrase 'Laoris Gloria Ludi'. The expression implies work hard and play hard.

## Our Principal

Dr Ruchi Seth, Principal, is well known in the national and international educational fraternity as a forward-thinking educator, an inspiring team leader, and a school administrator par excellence. Dr Seth has an M.A & M.Ed, with a Ph.D in Psychology from IIT Delhi. Her rich experience of approximately three and a half decades includes teaching students in the age group spanning 3-18 years, imparting pre-service training to teachers to prepare them for the teaching profession, as well as school administration.

Dr Seth was the founder Principal of Delhi Police Public School which she nurtured for 18 years, following which she took over as Principal of Delhi Public School, Sushant Lok. For seven years she steered the school with her characteristic vigour and vision, inspiring her pupils to be keen learners, compassionate human beings and responsible citizens. Under her visionary leadership the school witnessed a remarkable growth trajectory, and was conferred the coveted International School Award by the British Council twice over.

Dr Seth believes that in today's fast paced world, the purpose of education is not limited to the mere acquisition of knowledge. The real purpose of education is to prepare children to succeed in the modern world, make meaningful contributions to society, and be the agents of change for a better tomorrow. A self-confessed life-long learner, she also constantly pushes the frontiers of her own boundaries and believes that each day brings with it possibilities to do something new or differently.

Dr Seth's contribution to education goes beyond her role as school administrator. As Chairperson, International Award for Young People (formerly Duke of Edinburgh Award), North Zone, India, she coordinated and organized several youth development activities for a number of schools spread over the seven states of northern India. She has also been instrumental in forging exchange programs with several countries including Germany, France, Singapore and Pakistan and has undertaken a number of international projects with countries such as the United Kingdom and Korea. As a resource person to CBSE, NCERT and SCERT, she has brought to bear her vast experience to contribute in several ways in the field of education.

Dr Seth is the recipient of the CBSE National Best Teacher Award. She has also authored books on Social Science and Value Education. Recently, she co-authored a series of story books for young children, and mentored a publication on Life Skills. With her emphasis on innovation and creativity, Lotus Valley International School, Noida looks forward to continued momentum and exciting growth under her capable leadership.

***Good environs and great mentors are  
the keys to unlocking the potential within.***

Shine

TOGETHER

## Facilitators

LVIS has a professional and highly qualified staff committed to maintaining the philosophy and standards of the school. We are legitimately proud that the teachers have been appointed through a rigorous process of selection. The school encourages and facilitates their professional growth by organizing seminars and workshops to keep them abreast of the changing curriculum, pedagogical skills, and harness the potential of technology to make the teaching learning process joyful and effective.

## World Class Campus

The Lotus Valley International School campus is strategically designed to provide an ideal and secure environment for its students and facilitate wholesome learning. The school has been adjudged No.1 in '**Infrastructure**' and No.3 in '**Individual Attention and Care to Students**'.

- The campus has large open spaces as well as appropriately planned facilities to accommodate the Pre-Primary, Primary and Senior Secondary buildings. These provide ample space for outdoor as well as indoor activities to suit all age groups.
- Central monitoring systems make the three buildings totally safe, ensuring complete security for all the students.
- Vehicular traffic within the campus is deftly controlled to ensure absolute safety of the children at all times.
- The graphics and colours of the buildings have been creatively designed to provide mental stimulation for the children.
- Interior spaces throughout the school are child-friendly with no sharp edges or rough surfaces.
- There are special ramps and lifts for those who require them. The whole school is centrally air conditioned: the two silent D.Gs of 1000KVA each ensure a constant, effective power supply.
- The security of the school is strengthened by the presence of an adequate fire fighting system and numerous fire alarms.

***Ambition is the corridor to success.  
And those with in-built persistence get  
there faster.***

Kriti Agarwal (Gold Medalist) - A meritorious student, with the right combination of enthusiasm and perseverance, Kriti Agarwal was the proud recipient of the prestigious Gold Medal for her continuous excellence in academics.

Akshat Gupta, author extraordinaire, has featured in the Asia Book of Records for being the youngest to author the maximum three books in a year which have been published. He is now an India Book Record holder, which is a monumental achievement at his young age.

Manya Mittal, our young fencing champion, won the Gold medal at the Under 12 Delhi State Fencing Competition organised by Delhi State Fencing Association and bronze medal in Under 12 Mini National Fencing Championship in the foil event held at Nashik, an event organised by the Maharashtra Fencing Association, where 10 states participated. She would be representing Delhi at the National Level Fencing Tournament.

Srishti Kaur, our alumna, has been crowned 'Miss Teen Universe, 2017' at a beauty pageant held in Nicaragua. Winning the much coveted title, which put her school, city and country on an international pedestal, Srishti manifested what her teachers had always seen in her, an indomitable spirit to strive and never give up.

## OUR ACHIEVERS

### *The Shining Stars of Lotus Valley*

Vansh Kumar, the young Mozart of Lotus Valley, has won many accolades in the music world. The brilliant keyboardist has been felicitated by the United Nations for playing for the children with special needs at the 'Tamana Foundation School of Hope'. He was interviewed by 'Zabardast HITS 95 FM' for his contributions to the field of music and even won 'The FM Jiyo Dil Se Award' where he shared the stage with the celebrated playback singer, Mr Javed Ali. He achieved the feat of playing the keyboard continuously for 5 hours at a fundraising function at the British High Commission.

Dheeraj Deshpande and Ansh Bal Dixit, the young astronomers of Lotus Valley, attained international recognition through the programmes conducted by SPACE in India for the outstanding achievement of making a provisional discovery of an asteroid as part of the All India Asteroid Search Campaign. They were also invited to the SPACE Annual Meet, 2016 to be felicitated by the International Astronomical Union (IAU). They are the first Indian students to have the opportunity to name the numbered asteroid.

Sumana Basu, had the honour of being invited by our honourable Prime Minister to be a part of the 'team Narendra Modi' which represented the country in the Festival of India in different countries from 9th to 18th August 2017. Our passionate young odissi dancer is also the recipient of scholarship from CCRT (Centre for Cultural Resources and Training). She has had the opportunity of showcasing her talent at various national as well as international platforms including the St. Peter Ording in Germany and the International Trade Fair in Delhi, among several others.

Raamaansh Gupta, the Pablo Picasso of Lotus Valley, added another feather to his cap when his painting on the theme of Disability was selected by UNESCO as their official entry to promote their campaign. He even stood 1st at the UNESCO International Painting Competition. With innumerable awards to his credit, Raamaansh won the 3rd prize during the 'On-the-Spot' Children's Painting Competition, held in the Hungarian Information and Cultural Centre in February, 2017. He has also won the Honorary Award in the Yang Ming 5th International Painting Competition held at Taiwan.

## Curriculum

The Curriculum is characterized by with a unique integration of the best of educational practices from India and abroad. The school follows the curriculum designed by the NCERT & our learners are prepared for the AISSCE (All India Senior Secondary Certificate Examination) conducted by the CBSE (Central Board of Secondary Education) for Classes X & XII. The school also offers the Young Learners' English Test (YLE), Key English Test (KET) and Preliminary English Test (PET) conducted by Cambridge International in collaboration with the British Council to further enhance the linguistic skills of learners.

### Pre Primary

A child- centric integrated approach to kindergarten curriculum recognizes different aspects of the child's development. Activities and play are valued as an essential medium for learning, thus making learning joyful and exciting.

### Primary

The focus is on the holistic development of the child keeping the three H's in mind - Heart, Head and Hand. Experiential learning through exploratory and activity based teaching keeps the young learners engaged and makes learning easy and effective.

### Middle

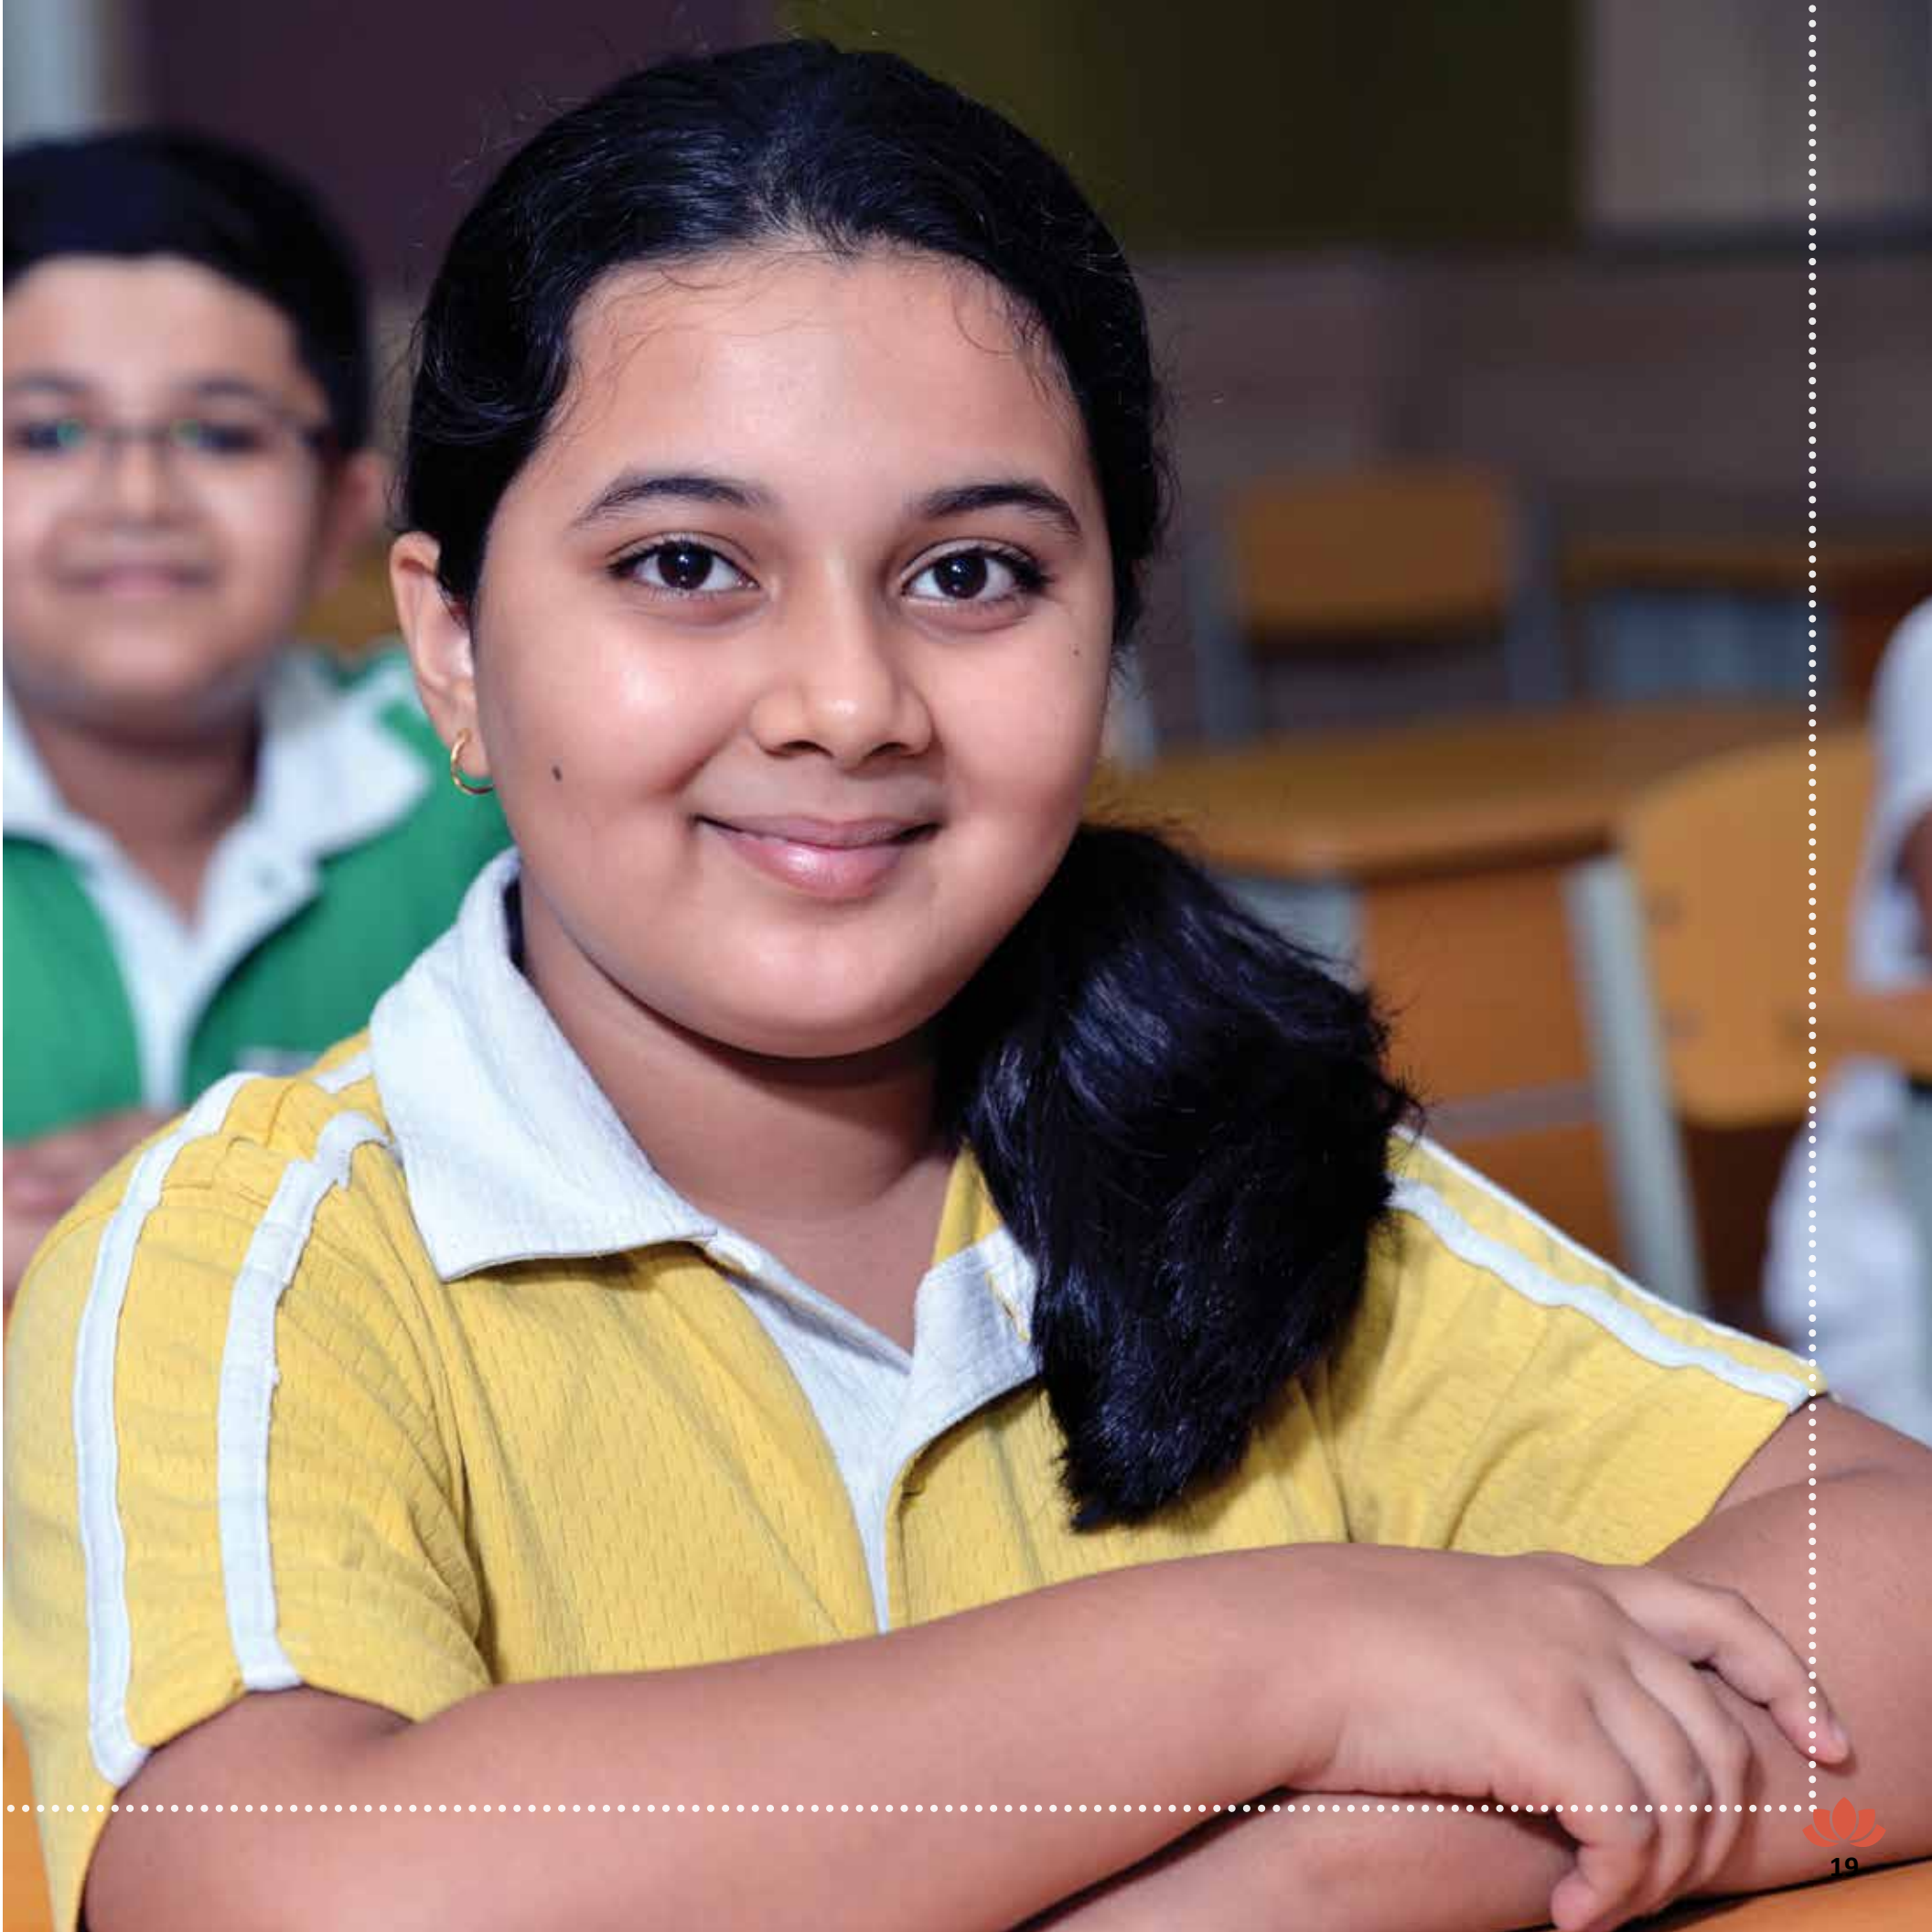

At the middle school level the curriculum is designed to provide a framework of learning to equip the learners with 21st century skills such as creativity, team work, decision making, problem solving etc. and help them relate classroom learning to real life.

### Senior

At this level a rigorous, academically challenging CBSE curriculum is followed to prepare students for higher education and life beyond school.

## Learning Beyond Books and Classrooms

Special programs such as Mogly's Gurukul, a value education program, and Arney's - I am a FITKID, a lifestyle, health and education program, are in place for our early learners along with several other optional programs to suit the varied interests and needs of the learners.

To develop a well rounded personality, the school offers the students an array of activities to choose from to suit their individual interest.

- Ceramics
- Clay Sculpture
- Dietetics & Nutrition
- Shakespearean Theatre
- Horticulture
- Indian Dance
- Indian Music – Instrumental
- Indian Music – Vocal
- Instrumental (Tabla, Congo & other Percussion instruments)
- Instrumental Music (Guitar, Keyboard, Drums, etc)
- Multimedia & Animation
- MUN
- Music Production (Ear Training, Recording, Editing and Mixing)
- Photography
- Public Speaking
- Painting/ Calligraphy
- Robotics
- Tinkering Club
- Western Dance
- Western Music - Vocal
- Western Music- Instrumental
- Yoga

## Information Technology and E-Learning

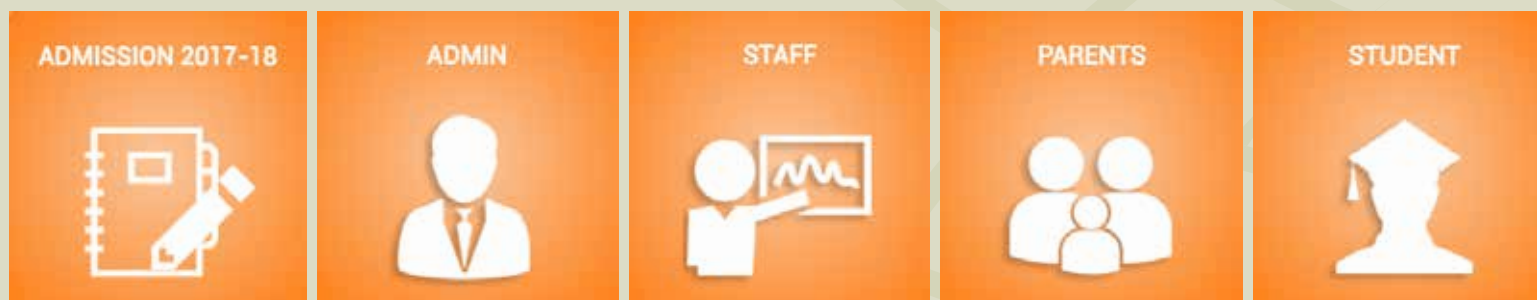

In a world where technology is all pervasive and information easily accessible, the school integrates technology into the teaching learning process. E-learning not only helps the students to acquire knowledge but also develop skills to manage information.

### School ERP (Campuscare)

## LOTUS VALLEY INTERNATIONAL SCHOOL NOIDA

TC Verification

Campuscare is an easy to use Interactive online portal where teachers, parents and students can access varied services that include:

- Essential student data (accessible to each parent individually)
- Daily attendance

- Horse Riding
- Golf
- Football
- Table Tennis
- Yoga and Meditation
- Taekwondo
- Chess
- Swimming
- Tennis
- Basketball
- Cricket
- Gymnastics
- Athletics
- Skating
- Badminton
- Multi - Gym
- Squash
- Volleyball

# Sports Block

*Only practice, sweat and determination  
can unleash the spirit of excellence  
within.*

## Amenities

LVIS offers myriad state-of-the-art amenities and facilities which allow our students to keep in tune with the world, nurture their talent, and cultivate aesthetic values for their holistic development.

## Media Centres

The media centres are interactive resource rooms that are more than just libraries. Not only do they house a wide collection of books for all ages, the e-section has a collection of DVDs, videos and on-line learning material. The libraries also have designated areas for individual study and small-group tutorials, with modern conference facilities for larger numbers.

## Medical Centre

The school has a tie-up with Indraprastha Apollo Hospital, Sarita Vihar, which monitors the health of our students. The three medical centres are adequately staffed with a full-time doctor from Apollo Hospital, assisted by three qualified, experienced nurses who take care of the general physical well-being of our children and provide immediate first-aid treatment, if needed. Arrangement exists for oxygen cylinder and nebulizer. Medical check-up for height, weight, eye-sight and dental health are conducted on a regular basis. This helps in identifying any problem at the initial stage.

## Cafeteria

Our innovatively decorated cafeterias serve healthy and nutritious snacks in hygienic and healthy surroundings. On parental request, lunch is served, keeping in mind the dietary requirements of the growing child. The menu of the meal served to the students is designed by a dietician; it is not only high in nutritional value but also caters to the tastes of our children. There are two cafeterias – one for the primary section that can seat around 100 students and the other for the senior section catering to over 500 students.

## Individualised Care

### Personal Counseling

Keeping in mind the developmental needs of the children, and the challenges and adjustment needs of our adolescents, we at Lotus Valley believe in providing psycho-social help to our students. With the aim of seeing happy faces across all 12 acres of our premises, our trained counseling psychologists help the children in their emotional, behavioural, motivational and psychosocial needs. The Counselors also work closely with ORKIDS to cater to children with special needs.

We are an **Inclusive School** and support teachers to include students with diverse needs in the classroom through good inclusive practices —like collaboration, team work, innovative instructional practices, peer-strategies, and more. **Individual Education Plans** are developed for students with special needs where a Psychologist, Special Educators, Operational Therapist, Speech Therapist along with class teachers, subject teachers, and parents work together to ensure that each child is well adjusted and happy, with the aim of maximizing his / her potential.

### Career Counseling

Career counseling is an integral part of our curriculum. Experts are invited to conduct career awareness talks. The counselor conducts aptitude tests, interest checks and holds interactive sessions with students and parents. This helps the learners understand their forte and make an informed choice for a career.

## STEM Education

At Lotus Valley, it is our endeavour to foster in our children the key skills of the 21st century. Every effort is made to provide hands-on learning experiences and facilitate creative, critical thinking and problem solving skills through STEM education. As part of the school's vision to promote STEM education, clubs like Robotics and Astronomy have been introduced. The Robotics Club focuses on basic assembling and programming; the Astronomy Club, in association with SPACE, offers a plethora of exciting activities to help children delve into the wonders of the Universe. The Tinkering Club of the school provides hands-on opportunities in the field of Mechanics, Hydraulics and Electronics to foster innovation skills in students. Students are also taught Graphic & Web Designing, App Development, Coding and JAVA Programming.

***World-class infrastructure, coupled with inspiring learning spaces provide a fertile ground for nurturing leaders of tomorrow.***

## International Dimension

## Our International Partners

Lotus Valley believes in giving its students 'Global Exposure and Indian Values'. The school offers two foreign languages i.e. French and German from class VI. Students learning these languages get an opportunity to visit foreign countries, stay with the host families and imbibe their culture. The school has had several exciting projects with Johannes Turmair Gymnasium, Straubing, Germany. Every year students and teachers visit Germany to forge bonds of friendship with German counterpart.

Another vibrant initiative to mould students into global citizens has been the dynamic French Exchange Programme with Lycee Broceliande College, France. Through this programme, students got a deeper insight into the traditional French customs, traditions and cuisine.

Lotus Valley International School was into a partnership with Brown University, USA, an Ivy League Institution. It was an enriching program that provided our faculty an insight into global best practices. The school has also had interactions with several eminent international dignitaries.

# Advisory Board Members

**Mr. B.S. Baswan**  
IAS (Retd)

Mr. B.S. Baswan is currently the Director of Indian Institute of Planning and Administration and former Secretary of the Department of Secondary and Higher Education, MHRD, Govt. of India. A highly acclaimed academician, he is an alumnus of Eaton House Preparatory School, London; The Doon School; Dehradun, St. Stephen's College, Delhi and Elphinstone College, Mumbai. He has also attended Victoria University, Manchester and Banff School of Advanced Management, Canada.

Ms. Anita Malhotra, Principal, Lotus Valley International School, Gurgaon, is a recipient of the State Teacher's Award by the Government of Delhi, NCT, the CBSE National Teacher's Award, Rashtriya Gaurav Award, as well as numerous other awards for her contribution in the field of education. She has a wide range of experience, and has served as a teacher, Founder Head, Director, and the Principal at various schools. She has successfully introduced and implemented radical innovations with her comprehensive know-how in technology and education. A widely travelled person, she was a part of the technical delegation at the VII Asian Games, Bangkok. Her accomplishments serve as an inspiration to young learners.

**Ms. Shovana Narayan**  
Renowned Kathak Maestro

Padmashri Shovana Narayan is not only India's most celebrated Kathak Guru and Maestro but an outstanding officer of the Indian Audits and Accounts Service. She has served in several challenging and high profile assignments, one of the most memorable being her role as the Special Director General, Commonwealth Games 2010, Delhi. Ms. Narayan holds 2 M.Phil. degrees (Defence & Strategic Studies and Social Science), besides having a Master's degree in Physics. A keen educationist, she is on the Governing Board of several institutes of higher education including Degree Colleges, IIT Delhi, IIM, Indian Institute of Finance, as well as several national and international schools. In her career spanning several decades she has been conferred with numerous awards, among which are the coveted Padmashri Award for her outstanding contribution to dance by the President of India in 1992 and also the Sangeet Natak Akademi Award by the President of India in 1999-2000.

**Ms. Sagarika Ghose**  
Well-known Journalist

Sagarika Ghose (born 8th November 1964) is an Indian journalist, news anchor and author. She has been a journalist since 1991 and has worked with Outlook magazine, The Times of India and The Indian Express. She was the Deputy Chief Editor and also the Prime Editor of CNN-IBN. Sagarika received her Bachelor's degree in History from St. Stephen's College, Delhi. A recipient of the Rhodes Scholarship in 1987, she has a Bachelor's in Modern History from Magdalen College and an M.Phil. from St Antony's College, Oxford. She has won several Indian awards in journalism and is the author of two novels. She is now Consulting Editor at The Times of India.

**Ms. Anjum Chopra**  
Former Indian Cricketer

Padmashri and Arjuna Awardee, Anjum Chopra, was the Captain of the Indian women's cricket team from 2002 to 2009 and is recognised as the face of women's cricket in India. Born in 1977, she stepped onto the cricket ground at the tender age of 9 years. She made her One Day International as well as Test debut in 1995 and went on to play 12 Test and over 100 ODI matches. As a captain, she was instrumental in winning the first test series overseas. Under her leadership, the Indian Women's team scaled great heights and put up an exemplary performance during the 2005 and 2009 World Cup. Presently, she is a sportscaster, commentator and subject expert with several leading news and sports channels.

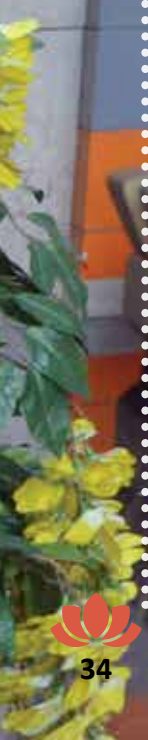

# Registration/Admission

The academic session commences in April every year. We have two terms – April to September and October to March. For admission, the completed registration form must be submitted at the school reception with the registration fee and a copy of the child's Birth Certificate along with the copy of Aadhar Card. On completion of the registration process, parents will be informed about the date of interaction with the Principal.
