

**ADVISORY**  
**FOR KIND ATTENTION OF BUS USERS**

1. Only bus user student/staff are permitted inside the school bus.
2. **'M'** prefixed route numbers, **are morning pick-up routes**. The **time mentioned against each stop**, is the **departure time** from that stop. The timing of the morning routes are so engineered that the **short route buses arrive between 7.30 AM to 7.40 AM and long route buses arrive between 7.40 AM to 7.50 AM**. The **bus will not wait** beyond the listed time at any bus stop and **students will be picked up from the listed bus stops only**.
3. **'A'** prefixed route numbers, are afternoon drop-back routes. Routes A101 to A142 are for Pre Primary classes in routine and exam routes for senior classes. A1 to A91 are for class 1 onwards. The **time mentioned against each stop**, is the **expected time of arrival**. The **dynamic traffic conditions along that route on any given day may cause a variation**. Students will be **dropped back at the listed bus stops only**.
4. The **area covered by the route** and the stops are reflected under the route number.
5. The mobile phone number mentioned on each bus route is that of the bus guard travelling in that bus. The **bus guards are instructed not to make calls**, unless in emergency.
6. **The mobile phone based application for the GPS bus tracking system** is suggested to be used for real time updates on the location of the bus. Parents can download the application "Lotus Valley" from 'Google play store/Appstore'. Detailed instructions are listed on the school web site.
7. **All new admissions** have been mentioned in **UPPER CASE**.
8. **Requests for creating new bus stops** will not be accepted till summer break and shall be processed on case to case basis. Those bus stops which have no student listed in them have been crossed across and shall be deleted if there are no users when the session starts.
9. **Eating is not permitted** inside the buses.
10. **The safety of staff** is also important to us.
